Course Description

Biomedical Ethics (sometimes simply referred to as “Bioethics”) is the study of ethics as applied to the medical profession (of both the clinical and research sorts). As such, the topics we will be looking at are of interest not only to philosophers, but also to health practitioners, research scientists, and anyone who ever has or will go to the doctor or hospital. Biomedical Ethics covers a broad range of topics, from the doctor-patient relationship to genetics research to the availability of health care to abortion. We will be reading Rebecca Skloot’s multiple-award-winning book, *The Immortal Life of Henrietta Lacks*, using this as a touchstone as we progress through the course.

Core Texts

- Rebecca Skloot, *The Immortal Life of Henrietta Lacks* (Broadway Books: 978-1400052189)
- All other readings for this course will be supplied as PDFs, available in the Course Readings section for this course on Blackboard.

Course Requirements

There will be four take-home exams for this class:

<i>Exam</i>	<i>Assigned</i>	<i>Due</i>
1	Tues, Feb 14	Tues, Feb 21
2	Thurs, Mar 2	Thurs, Mar 9
3	Tues, Apr 4	Tues, Apr 11
4	Tues, May 9	Tues, May 16

Each exam is worth 25% of your final grade. Exams will not be accepted late without authorized excuse.

Special Accommodations

- Students with disabilities that require special class or exam accommodations must present a form from AccessTECH Disability Support Program specifying the details during the first week of classes. Their offices are located in 335 West Hall. See www.accessstech.dsa.ttu.edu.
- You will not be penalized for any absences due to religious observances. However, it is your responsibility to inform me in advance of any intended absences for religious observance *as soon as possible* so that we can make other arrangements. As well, it remains your responsibility to have read the material assigned for that day and to obtain any notes from one of your classmates for classes missed.

Attendance

For each class you miss without authorized excuse, your final grade will be deducted 1%. After 10 unauthorized absences, you will receive a failing grade in this class regardless of your performance on exams.

Classroom Courtesy

Please be courteous to your fellow students and avoid unnecessary disruptions. Arrive on time, leave on time, and *turn off your cell phone during class*. Note that if your cell phone rings during class, *I get to answer it*.

Laptops are permitted in class, but please do not abuse this privilege. Text-messaging is *not* permitted during my class. If you are seen text-messaging during class-time, your final grade will be deducted 1 percent. This is your only warning.

The Writing Center

Particularly for new philosophy students, I strongly recommend that you work on your paper with a writing tutor. The Writing Center offers *free assistance* in room 175 of the Philosophy and English Building. See <http://english.ttu.edu/uwc01>.

Academic Integrity and Irresponsibility

I take incidents of academic misconduct *very seriously*. These include but are not restricted to cheating, plagiarism, collusion, and fabrication. Penalties are dependent on the nature of the misconduct, and may involve disciplinary proceedings with the Student Judicial Programs. Knowing what constitutes academic misconduct is *your responsibility*. If you have a concern about what constitutes academic dishonesty *prior to turning in an assignment*, please see me, and I will be happy to help you. For more information, see <http://www.depts.ttu.edu/studentjudicialprograms/academicinteg.php>.
